

## Financial Policy

### Insurance Coverage

Welcome to Level Up Spine Care and Rehab, LLC. Your insurance policy is an agreement between you and your insurer, not between your insurer and this clinic. Like all types of care, coverage for chiropractic services varies from insurer to insurer and plan to plan. Most insurance policies require the beneficiary to pay co-insurance, co-payment and/or a deductible. For example: if you have a deductible of \$100, and your insurance pays 80%, you are responsible for 20% of all charges incurred during the year after you have paid your \$100 at the beginning of the year. Our clinic will call your insurer to verify your benefits, however, we are not responsible for your insurer's final payment and benefit determinations.

### Missed Appointments

One missed visit will not result in the assessment of a fee, but you will be charged for any additional missed visits. This clinic provides care for many individuals and missed visits result in time lost that could have been used to provide care for others.
